# UNION - IP ROUND TABLE

# PARIS, THURSDAY 12 DECEMBER 2024

## ABOUT THE UNION-IP

**UNION-IP** is an association of practitioners in the field of Intellectual Property, that is, of individuals whose principal professional occupation is concerned with Patents, Trademarks, Designs or Copyright and related fields, and who carry on their profession independently or as employees

**UNION-IP** is a private international association that is not dependent on any national or international authority. It approves its own members, in accordance with its statutes, in total independence, and likewise decides on its own activities and its own budget.

**UNION-IP** aims to work on developments in Intellectual Property in Europe, especially by making submissions during the preparation of proposed laws and treaties, and to devote itself to the improvement of professional and personal understanding between European practitioners in the Intellectual property field in different countries and different branches of the profession.

## WHAT IS A UNION-IP ROUND TABLE?

This Round Table is organized by **UNION-IP**, offering the opportunity for practitioners to hear from authoritative speakers on topics of interest in the European and International IP field and, just as importantly, to interact with and influence them by feeding back their own practical experience.

The integral Question and Answer sessions and friendly discursive nature of the event lead to real exchange and development of views on both sides. Participants tend to find these practitioner-lead events a real and useful antidote to the more commercial seminars familiar to all.

If you are not yet a member of **UNION-IP** and would like to join this friendly, active and interesting organisation please go to our website. Membership entitles you to reduced prices for this, and other, **UNION-IP** events.
